

# COMPANY OVERVIEW

**Edaptive Systems** is a CMMI Level 4-appraised, ISO 9001:2008-certified company with more than 17 years of exceptional support to a diverse customer base including but not limited to the Centers for Medicare & Medicaid Services (CMS); the Food and Drug Administration (FDA); the Health Resources & Services Administration (HRSA); the Agency for Healthcare Research and Quality (AHRQ); the National Institute of Health (NIH); and the Department of Homeland Security (DHS). As a Prime Contractor, we currently manage more than 19 major contracts totaling over \$500M in lifecycle value and have delivered more than 40 projects since inception. Edaptive practices and follows mature processes and procedures (based upon our CMMI, ISO, and PMBOK knowledge) that contribute to our continued growth and success. Equally, our success as a Prime Contractor provides us broad and deep proficiency in full lifecycle software development adapted to multiple Federal environments and enables us to deliver innovative, large-scale, nationally-deployed business applications.

Our services include program and project management, both agile and traditional waterfall software development practices; software testing and quality assurance; business intelligence; data management; information assurance; clinical support; and help desk and training services.
